## Career and Technical Safety Pledge

\_\_\_\_\_, who is enrolled in (circle one) Cosmetology I, Cosmetology II or Cosmetology III will, as part of his/her lab experience, operate equipment and handle chemicals, providing that his/her parent or guardian gives written permission.

It is understood that each student will be given proper instruction; both in use of the equipment and/or chemicals and in correct safety procedures concerning equipment and/or chemicals before being allowed to proceed. The student must assume responsibility for following safe practices, and we therefore ask that he/she subscribe to the following safety pledge.

2. I promise never to use a machine or handle any chemicals without first having permission from the instructor.
3. I will not ask permission to use a particular machine or handle any chemicals unless I have been instructed in its use, and have made 100% on the safety test for that machine and/or chemicals.
4. I will report any accident or injury to the teacher immediately.
